Languages

Norwegian
English
Tamil

> Fluent in Norwegian and English with Level 1 ESOL certification. Tamil as a native speaker, speaks fluently.

My Projects

Binge – Android App created in my spare time
HTML – My first webpage with HTML, adding content as I learn new things.
Mist – Group Project at UiO (Represent data from the meteorological institute in a user-friendly way)

Achievements

1. Good language- and cultural understanding from my time in England and Slovenia

2. Good communication skills with experience from *Telia, OneCall* project and I work well under pressure

3. Experience with leadership and group work from Student organizations (Yearbook, *Toastjern* and *Dagen@ifi*) and other work

</> Programming

More familiar:

Java
Multiple courses at UiO

Python
Multiple courses at UiO

Kotlin
Project at UiO and spare time

Less familiar:

C – Course at UiO

CSS – Self-taught

HTML – Self-taught

SQL – Course at UiO

Other: **Bash**, **Arduino**, **Assembler** language

Interests

</> App- and web development

🎧 Music

Cruiser-/skateboarding

3D-Modelling
